Join us **Saturday, May 18, 2019** for the Move It! Awareness Walk with Parkinson Association of the Carolinas (PAC) at The Grand Park at Market Commons, 1156 Farrow Pkwy, Myrtle Beach, SC 29577. Walk (roll..or run!) for Parkinson's and help us raise awareness of the Disease, while also helping to support PAC. We will move it, groove it and much more!

How do I register?

To register online, visit us at <https://moveitwalk.mb.dojiggy.com> and click on the Registration link. You can either Create a Team, Join a Team, or Register as an Individual Walker. Fill out the form, and you'll be set! Upon completion of the registration form, a personal web page will be added for you. If you do not wish to register online, call us at 866-903-PARK (7275). Check in begins at 8:30 AM the day of the walk. All walkers should be registered as individuals, even if they are part of a team. Wheelchairs, walkers, strollers, and dogs on leashes are welcome.

Do I have to register in order to walk?

Yes, we want to know you're walking with us and need every walker to complete the standard registration.

How much is Registration?

While there is no registration fee, we encourage all registered walkers to raise funds on behalf of the Move It! Awareness Walk for Parkinson's. 100% of funds raised will benefit North and South Carolina through educational events, support groups, exercise programs and printed resources.

Do I have to have a fundraising page to participate in the walk?

No. You do not have to raise any money to participate in the walk. We want everyone to come out to help support our walkers and raise awareness of the disease.

How do I turn in my donations?

Donations will be collected the day of the Walk OR you can mail them in. Please bring all donations in an envelope with either the team name – or the participant name you would like to be credited with the donations.

Where should check or cash donations be mailed?

Parkinson Association of the Carolinas
2101 Sardis Road North, Box 15
Charlotte, NC 28227

****Make sure you include a note with your donation so that PAC knows who to credit the donation to. For example, "Move It! Awareness Walk Myrtle Beach for (participant name or team name) ****

How do I set up a team?

Setting up a team is just as easy as registering as an individual walker. If you complete your registration online, you will select the option to "Set up a team". Upon completion of the registration form, your personal page will be set up which you can edit as you wish. You are able to set your own goals for your team as well. Then, begin recruiting and find your team members!

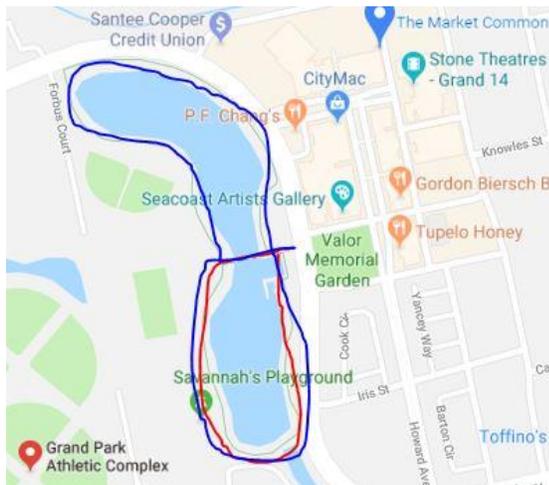

What responsibilities does a team captain have?

Team captains are the heart of the Walk. As a team captain, you recruit your team of family, friends and coworkers, help them fundraise, keep them motivated and have fun while raising awareness for Parkinson's disease. You will also have access to a team fundraising web page and numerous tools to make your team a success.

How do I receive a t-shirt?

Every person **registered as a walker** that shows up the day of the event will receive a t-shirt.

What does the walk look like and how long is it?

Both routes are completely paved. The red route is approximately half a mile long, while the blue route is a full mile.

Tips for Having a Great Event Day

You've worked hard to gather donations for your cause. Now, honor yourself and all that have supported you by having the best event day possible. The following will help boost your energy, and keep unwanted accidents from happening.

- Don't be late. Plan to arrive early in case there is a line or crowd during registration. No need to create extra stress.
- Be prepared. Know where you are going, print directions or copies of the event schedule, review details about where to sign in, etc. (Make it easy on yourself)
- Eat a good breakfast. You'll need fuel to keep your energy going.
- Wear comfortable and supportive shoes; don't wait until event day to break in a new pair. Make sure your shoes will not cause blisters, or cause pain post event.
- Protect yourself from the sun – wear and bring extra sunscreen. We also recommend wearing a hat, or visor, and using sunglasses to protect your eyes.
- Stay hydrated. Make sure to drink plenty of water or sports drinks to avoid dehydration and headaches. Hydrating before event day will help as well.
- Don't push yourself too hard – It's okay to reach for your best time or distance, but make sure you don't overdo it! Training before the event will help you to set appropriate goals and avoid race day injuries and exhaustion.
- Take lots of pictures so you can post photos on your Facebook page, update your fundraising website, etc.
- Acknowledge supporters who attend the event. Wave, say "thank you" in person, etc.
- Acknowledge the event organizers and volunteers who are working hard to make the event a success.
- Bring your smile & have fun!

Tips for Soliciting Donations & Pledges

Now that you are registered and have built your personal fundraising page (or even if you haven't and you'd like to fundraise!), it's time to start gathering donations and pledges. People love to support charitable causes, especially when they can see how much it means to you. Yet, for many people, it can be difficult to ask personal friends, family members and acquaintances for financial support. Start with those you know will be willing to support you and use these experiences and successes to build momentum. It's always easier to hear a "no" after you have heard "yes" a few times.

Tips for Soliciting Donations & Pledges:

- Make a list of potential prospects and the best way to reach them. Potential prospects include:
 - Relatives (parents, children, grandparents, cousins, aunts & uncles, etc.)
 - Work Acquaintances: Bosses, Coworkers, Business Partners, Vendors, Clients, etc.
 - Associates from group activities (teammates, coaches, classmates, etc.)
 - Members of your church/spiritual gathering
 - Friends & Neighbors
 - Local Relationships (hair stylist, dentist, etc.)
- Create a fundraising website to help you explain your mission and provide a place to direct potential donors to learn more and make online donations
- Create an "Action Plan" – Assign specific groups of prospects to target on certain days and/or weeks to keep your efforts focused and not too overwhelming.
- Be Organized: You'll want to explain the reason for the fundraiser and how funds collected will be used (Make it personal. What does this cause mean to you?)
- Write out a script for yourself and practice
- Set goals to keep motivated & track them online to monitor your progress

- Post announcements on all your social networking sites. Invite friends to share w/ their friends to help spread the word
- Send out an email requesting donations with a link to your personal fundraising page
- Keep offline pledge forms on-hand in case prospects are not ready to make an immediate donations or would prefer not to make an online donation
- If you are soliciting pledges door-to-door, be safe!
 - Use the buddy system (and bring an adult if you are under 18)
 - Collect only during daylight ours
 - Never enter a person's house if you do not know them well.
 - Do not carry large amounts of cash. (You may be better off collecting checks or directing people to make online donations via credit card)
 - Do not provide your phone number or address. If you have a personal fundraising website, handing out cards with the link to your site is a great alternative!
- Always remember to say "Please & Thank You"!
