

Much of the success of our work depends on volunteers. We are always seeking individuals to assist with events, offer new ideas, serve on committees, and introduce the Parkinson Association of the Carolinas (PAC) to more people in the community. If you are interested in supporting the mission and work of PAC, please complete the form below. For questions or more information about our volunteer opportunities, please give us a call at 866-903-PARK (7275) or send us an email LTankersly@parkinsonassociation.org. You can also visit our website at www.parkinsonassociation.org. Thank you!
